Table of processor specifications and benchmarks. Each row corresponds to a processor model listed on the left. The table includes details such as core count, frequency, and specific processor models. For example, the first row is 'bobcat: 2 x 1650MHz; 2011 AMD G-T56n; amd64; Bobcat (600F10); supercop-20230630'. The table continues with many other processors like K8, K10, Bulldozer, Zen, etc., up to ThunderX2.
